     C         D           C        D          A# G C A
Parched, cracked mouths, empty swollen guts
Sun-Baked pavement encroaches on us
Haves and have-nots together at last
Brutally engaged in mortal kombat
```

10 in 2010
Ten billion people, all suffering
10 in 2010
Truth is not an issue, just hungry mouths to feed

Forget what you want, scrounge the things you need

Happy and content, it can`t happen to you
10 in 2010
Fifteen years we`ll think of a solution
10 in 2010
It wont just appear in one day
10 in 2010
For ten in twenty-ten, we`re well on our way
10 in 2010

Like piercing ear darts, I heard the news today
10 in 2010
10 billion people, coming your way

Ten in twenty, ten in twenty, ten in twenty-ten!
