Intro:

Em Em Em Em

Versel:

Em Em* Em Em***
This rational delusions have got to cease
Em Em* Em Em**
The second hand has finally got the vast of me
Em Em* Em Em**
I am too aware of singularity
Em Em D
They brought me to the edge of time
B
And it s all is in my mind! Now

Pre-chorus1:

G B D G
They say the are coming back some day
G C D Em
The world is turning faster but it just won t wait
A C B
and I m desperate to try almost anything to evade..

Chorus(2x):

Em Em* Em Em***
A simple chronophobia
Em Em* Em Em***
A simple chronophobia now

Verse2:

Maybe there s a science or technology
To help me come to terms with my maker
Since Natural Selection never banged on me
I must be an exception to the plan
Someone help me understand! Now

Pre-chorus2:

Cryogenic methods are injectable
And collagen polymers aren t so terrible
But they still can t prevent the inevitable...

Chorus

End on G

Here it is! I m sorry cos I didn t figure out all the lyrics. English ain t my
natural
and I don t have the record (NMOH Deluxe) yet but I ll go for it as soon as I
can get
Do the same and support the artist.
Enjoy it!
