

Come Join Us
Bad Religion

G **D** **E E E E**
All we want to do is change your mind

G **D** **B**
All you need to do is close your eyes

E **C**
Come join us

E **G D**
Come join us

E **C B**
Come join us

(w/ Rhythm 1)
Don t you see all the trouble that most people are in
And that they just want you for their own advantage
But I swear to you we re different from all of them
Come join us

I can tell you were looking for a way to live
Where truth is determined by consensus
Full of codified arbitrary directives
Come join us

G **D** **E E E E**
All we want to have is your small mind

G **D** **B**
Turn it into one of our kind

E **C**
You can go through life adrift and alone

G **D**
Desperate, desolate, on your own

E **C** **B**
But we re looking for a few more stalwert clones

E **C**
Come join us

E **G D**
Come join us

E C D

Come join us

(w/ Rhythm 1)

We ve got spite and dedication as a vehement brew
The world hates us, well we hate them too
But you re exempted of course if you
Come join us

Independent, self-contented, revolutionary
Intellectual, brave, strong, and scholarly
If you re not one of them, you re us already
