

**Come Join Us**  
**Bad Religion**

**G**                    **D**                    **E E E E**  
All we want to do is change your mind

**G**                    **D**                    **B**  
All you need to do is close your eyes

**E**            **C**  
Come join us

**E**            **G D**  
Come join us

**E**            **C B**  
Come join us

(w/ Rhythm 1)  
Don't you see all the trouble that most people are in  
And that they just want you for their own advantage  
But I swear to you we're different from all of them  
Come join us

I can tell you were looking for a way to live  
Where truth is determined by consensus  
Full of codified arbitrary directives  
Come join us

**G**                    **D**                    **E E E E**  
All we want to have is your small mind

**G**                    **D**                    **B**  
Turn it into one of our kind

**E**                                    **C**  
You can go through life adrift and alone

**G**                                    **D**  
Desperate, desolate, on your own

**E**                                    **C**                    **B**  
But we're looking for a few more stalwert clones

**E**            **C**  
Come join us

**E**            **G D**  
Come join us

**E C D**

Come join us

(w/ Rhythm 1)

We ve got spite and dedication as a vehement brew  
The world hates us, well we hate them too  
But you re exempted of course if you  
Come join us

Independent, self-contented, revolutionary  
Intellectual, brave, strong, and scholarly  
If you re not one of them, you re us already

**E C**

Come join us

**E G D**

Come join us

**E C D**

Come join us
