[Intro]

**G D A D** [x2]

**A G D**

The smell of virgin pages wafted through the swinging doors

**A G D**

And the croaking speech he d heard from countless councilors before

**B G**

They said we all care for you, we know how you suffer

**A**

But I know you can succeed, I used to have it so much rougher

**G D A D**

There s hope in the words and emotion in the eyes

**G D A D**

It s so easy to be misled by the savvy gentle guise

**G D A B**

And like fools we trust the delivery

**G D A D**

But it s all just drunk sincerity

**G D A D**

It s all just drunk sincerity

**A G D**

In maternal family assembly poised regarding the blue tube

**A G D**

The numbers crept up higher and the hawks stayed out of view

**B G**

Then the generals said we don t want our boys dead

**A**

Your sons and your husbands will be coming back heroes soon

**G D A D**

There s hope in the words and emotion in the eyes

**G D A D**

It s so easy to be misled by the savvy gentle guise

**G D A B**

And like fools we trust the delivery

**G D A D**

But it s all just drunk sincerity

**G D A D**

It s all just drunk sincerity

**A G D**

With steam, heat, and rythym in the back seat of the car

**A G D**

And adolescent perspective projecting life s forecast to the stars

**B G**

You heard love from the lips and you were rapt by the hips

**A**

And the promise was eternal but you couldn t see that far

**G D A D**

There s hope in the words and emotion in the eyes

**G D A D**

It s so easy to be mislead by the savvy gentle guise

**G D A B**

And like fools we trust the delivery

**G D A D**

But it s all just drunk sincerity

**G D A D**

It s all just drunk sincerity
