BAD RELIGION - GOD S LOVE

G Bb Eb
Striking at mental apparitions
G Bb Eb F
Like a drunk on a vacant street
G Bb Eb G
Silently beset by the hands of time
Bb Eb F
Indelicate in its fury
G Bb Eb G
An aberrant crack as skeletons yield
Bb Eb F
To unrelenting gravity
G Bb Eb G
While viruses prowl for helpless victims
Bb Eb F
Who succumb rapidly

G Eb
(Tell me!) Tell me; where is the love?
F
In a careless creation
C
When thereâ€™s no â€œaboveâ€•
G
Thereâ€™s no justice
Eb
Just a cause and a cure
F
And a bounty of suffering
C
It seems we all endure
Eb
And what Iâ€™m frightened of
F G
Is that they call it â€œGodâ€™s loveâ€•

G Bb Eb G
Twisted torment, make-believe
Bb Eb F
Thereâ€™s a truth and we all submit
G Bb Eb G
â€œBelieve my eyes,â€• my brain complies

Bb Eb F

To all that they interpret

G Eb

(Tell me!) Tell me; where is the love?

F

In a careless creation

C

When thereâ€™s no â€œaboveâ€•

G

Thereâ€™s no justice

Eb

And what Iâ€™m frightened of

F

G

Is that they call it â€œGodâ€™s loveâ€•

G Bb Eb F

I know thereâ€™s no reason for alarm

G Bb Eb F

But who needs perspective when it comes to pain and harm

G Eb F Eb C

We can change our minds; thereâ€™s a better prize

But first youâ€™ve got toâ€¦

G Eb

(Tell me!) Tell me; where is the love?

F

In a careless creation

C

When thereâ€™s no â€œaboveâ€•

G

Thereâ€™s no justice

Eb

Just a cause and a cure

F

And a bounty of suffering

C

It seems we all endure

Eb

And what Iâ€™m frightened of

F

G

Is that they call it â€œGodâ€™s loveâ€•

Eb Bb Eb

They call it God's love

Eb G Eb

My pain is God's love
