D F C

Take those potatoes outta your ears

D F C

Listen to the warnings, verify all your fears

D F C

There s a world outside that s ready to blow

D F C

And we re all to blame when it finally explodes

D A# C D A# F

You gotta listen up, gotta listen to what they re telling you

D A# C D A# F A# F A# F G

Gotta listen up and think about they re saying to you

(w/ rythm 1)

???? (-- lyrics not printed for this verse)

D A# C D A# F

You gotta listen up, gotta listen to what they re telling you

D A# C D A# F A# F A# F G

Gotta listen up and think about they re saying to you

D F(low) C D

They re the modern day catastrophists

A# F A# C

They ve got practical solutions

D F(low) C D

They re the self-appointed righteous pragmatists

A# F(low) C

And they know 50 ways to save the world

(ryhtm 2 w/ lyrics)

what makes you think you can cure our disease?

maybe it s just our biology,
maybe it s time to make room for another species,
this is the 21st century

etc.
