

Who We Are
Bad Religion

Here are the Chords for the newest bad religion song. You can play it acoustically with these chords and it sounds great. With an electric I d probably just chenge them to powerchords and use the appropriate stroking and muting and such. This is my 1st tab, woo hoo!

Great song by a fucking killer band.

any corrections, concerns, comments

|Who WE Are|

Verse
Am/G/C/E

Chorus
