

**Dm G**  
Evil powers

[Verse 2]

**Dm**  
But then I thought no  
**G**  
That ship don't float  
**Dm G**  
If I don't know my mind what do I know?  
**Dm**  
And the proof  
**G**  
In that voodoo  
**Dm G**  
Don't leave Jen in any doubt of the truth

[Chorus]

**F C G**  
You could blame tectonic plates  
**F C G**  
For pushing the earth until it shakes  
**F C**  
Killer waves  
**G**  
Washing people away  
**F C G**  
But Jenny knows the reason is plain

**Dm G**  
It's evil powers  
**Dm G**  
Evil powers  
**Dm G**  
Evil powers  
**Dm G**  
Evil powers

[Bridge]

**Am7 Dm**  
Jenny said to turn my face towards the sun  
**Am7**  
To see where every ray is coming from  
**Am Dm**  
And that time I said the worst thing of all  
**Am7**  
Was just demons after all

[Chorus]
