

**Off She Goes**  
**Bad Suns**

[Verse 1]

**F** **A**  
Where, where do you go  
**Dm**  
When the light leaves your eyes  
**C**  
And you re just out of reach  
**F**  
Like a tree-bound kite?  
**A**  
What s on your mind  
**Dm**  
As you re staring behind?  
**C** **F**  
And I m on my own in your arms tonight  
**A**  
Ooh  
**Dm C**  
Na, na, na, na, off she goes

[Verse 2]

**F** **A**  
Where, where do you go  
**Dm**  
When the tears leave your eyes?  
**C**  
When you feel that burn  
**F**  
I know words can t describe  
**A**  
Where do you go?  
**Dm**  
Remember when you told me?  
**C**  
Remember when you told me?

[Chorus]

**G** **C**  
When you can t believe in yourself  
**G** **C**  
All you hear is anyone else  
**G** **C**  
And if you d just believe in yourself  
**G** **C**  
We can tune out everyone else

That s all right           **F**   **A**   **Dm**   **C**  
Oh, that s all right           **F**   **A**   **Dm**   **C**  
All right

[Bridge]  
Feel the earth underneath           **F**           **A**  
Snatch a star, you can reach           **Dm**                   **C**  
Feel the earth leave your feet           **F**                   **A**  
We can glide, don t need streets           **Dm**                           **C**

[Chorus]  
**G**                   **C**  
When you can t believe in yourself  
**G**                   **C**  
All you hear is anyone else  
**G**                   **C**  
And if you d just believe in yourself  
**G**                   **C**  
We can tune out everyone else

That s all right  
**F**           **A**  
Ooh  
  **Dm**   **C**  
Na, na, na, na, off she goes

Oh, that s alright  
**F**           **A**  
Ooh  
  **Dm**   **C**  
Na, na, na, na, off she goes

[Bridge]  
Feel the earth underneath           **F**           **A**  
Snatch a star, you can reach           **Dm**                   **C**  
Feel the earth leave your feet           **F**                   **A**  
We can glide, don t need streets           **Dm**                           **C**  
**F**           **A**  
Ooh

Na, na, na, na, off she goes **Dm C**

[Chorus]

**G C**  
When you can t believe in yourself  
**G C**  
All you hear is anyone else  
**G C**  
And if you d just believe in yourself  
**G C**  
We can tune out everyone else, yeah  
**G C**  
When you can t believe in yourself  
**G C**  
All you hear is anyone else  
**G C**  
And if you d just believe in yourself  
**G C**  
We can tune out everyone else  
**F**  
That s alright  
**A**

Ooh

Na, na, na, na, off she goes **Dm C**  
That s all right, oh **F A Dm C**

[Outro]

**F A**  
Where, where do you go  
**Dm**  
When the light leaves your eyes?  
**C**  
When you re just out of reach  
**F**  
Like a tree-bound kite  
**A**  
What s on your mind  
**Dm**  
As you re staring behind?  
**C F A Dm**  
And I m on my own in your arms tonight  
**C F**  
Yeah, I m on my own in your arms tonight

**F A Dm C**
