Listen to a lonely sound. See the grey and sadness all around  
**A** **A/Ab** **F#m** **Bm** **G** **E**  
See the people go their way. Care not of me and love I ve lost today

Maybe tomorrow, I will love again

I ll never know until I ve looked into her eyes

And so I m living for a dream. Each lonely day spent looking for the sunshine

Let the light of your love  
**E** **A** **A/Ab**  
Shine through the window of my heart

Then when you ve coloured all my thoughts bright

Don t let me ever ever think of night, no-oo yeah!
