40 DAYS & 40 FIGHTS - Badly Drawn Boy

G Em

You look a lot, lot better tonight

∑m. (

You and I should go out for a fight

G Em

We need a holiday But not today, another day

G Em

You need eyes in the front of your head

Em. G

And a spine with a built in bed

G Em

I don t want anybody else to know

Εm

So I wont be telling them

F# G B7 C7

I love you, for all the things you do

F7 G Em

But I can t even recall your name

Em

Something beautiful about it though

Well good luck to your lady tonight

I took a piece of her heart, well not quite She stole a piece of mine Chewed it up and threw it back I need help to get over pain But the memories still remain I loved her friendly eyes

The way they looked at each other

It moves me to tears, like a horror film

And I don t even recall her name

There s something beautiful about it though

Now there s a good, good feeling tonight Just a feeling that something is right We can minimalise the pain Forget that is was ever there

Look at all the possibles
Throw answers out to the world
Its hard, its hard, its hard
Its hard, its hard, its hard
Its hard when you don t know how
But I ll be here to throw you some clues
Don t even have to know your name
Something beautiful about it though
Forty days and forty fights
Forty days and forty fights

This is the chord I saw Badly Drawn Boy played in Sydney Enmore Theatre on 20Mar03
