Back when we started, before we parted

I would wonder what would make her stay

What was I thinkin , as if my drinkin

A **D**
Was the only thing that drove her away

Bm **E**
Was it ambition? Or a war of attrition?

A **D**
Honey, you could always stick it out

Bm **E** **A**
And now I know beyond the shadow of a doubt, it s my fault.

[[Chorus]]

E

You caught me thinking

F#m **D**

What it might be like

E

To be alone for a while,

F#m **A** **D/Bm**

Or alone for just one night

Bm E A D (x2)

[[Verse ii]]

I share my feelings

You hit the ceiling

I couldn't shake it if I tried

You were my lover

Only to discover something inside of me had died

Was it ambition? or war of attrition?

Honey, you could always stick it out

Now I know beyond the shadow of a doubt, it's my fault.

[[Chorus]]

You caught me thinking

What it might be like

To be alone for a while,

Or alone for just one night
