

**Love Letters**

**Ballyhoo!**

Ballyhoo! Walk Away

Chords: (Use Bar Chords)

Intro/Chorus: **A, C#, F#m, D**

Verse: **A, E, D, E**

Pre-Chorus: **C#m, F#m, Bm, E**

**A** **E**  
So here we are again in fisticuffs just like last week

**D** **E**  
Youve got your brass knuckles and Ive got a machete

**A** **E**  
Not too long ago we used to cuddle in our sleep

**D** **E**  
So howd this shit get turned around and now the words got deep

**C#m** **F#m** **Bm** **E**  
All the love letters, stuffed into a Molotov cocktail

**A** **C#m**  
Sometimes its easier to walk away, walk away

**F#m** **D**  
Call it what it is, this is hopeless

**A** **C#m**  
Well cant you see it girl that life goes on, life goes on

**F#m** **D**  
Weve seen better days, and you know this

**A** **C#m** **F#m** **E** **D**  
Girl we just cant take much more you know we make each other miserable

**A** **E** **D** **E** **A**  
Lets just call it, what it is, Iâ€™m letting go, of all of this

**A** **E**  
I remember asking all around to get your name

**D** **E**  
And I wish I could find out that you were doing the same

**A** **E**  
Now it seems that those old days have come and gone away

**D** **E** **C#m**  
But I would never call this a mistake

**F#m** **Bm** **E**  
All the love letters, stuffed into a Molotov cocktail

**A** **C#m**  
Sometimes its easier to walk away, walk away

**F#m** **D**  
Call it what it is, this is hopeless

**A** **C#m**  
Well cant you see it girl that life goes on, life goes on

**F#m** **D**  
Weve seen better days, and you know this

**A** **C#m** **F#m** **E** **D**  
Girl we just cant take much more you know we make each other miserable

**A** **E** **D** **E** **A**  
Lets just call it, what it is, Im letting go, of all of this

**A** **C#m** **F#m** **D**
