

Saw Her Standing
Ballyhoo!

The whole song is bar chords with emphasis on the higher strings by using upstrokes

Intro: **A# Dm Eb Ebm**

A#
Saw her standing there
Dm
Flower in her hair
Eb Ebm
When the song went away so did she
A#
Left me standing here
Dm
Eyes welled up with tears
Eb Ebm
Drowning me alive in all my fears

Gm
And everytime I touch your face
D#
All I feels an empty space
A# Dm
And I am always chasing you
Gm
And if you say two words to me
D#
I want to hear what you said
A# Dm
Cause I can t speak to the dead

D#
And when it all goes down
F
You won t be around
Gm Cm
And I don t know if I can take it
D# F
I m still holding on

The rest of the song is the same chords
