[Verse 1]

**F**

Staring out into nowhere waiting on a plane ride

**C**

Keeping one hand tied on that bag at your side

**F**

Are you leaving town looking for a new start?

**C**

Or cashing in, heading home, carrying a broken heart?

**Am**

**G**

**F**

Were you up all night trying to make ends meet

**Dm**

**C**

**F**

**G**

Or so excited to leave you couldn't sleep or eat

[Chorus]

**F**

Something bout that suitcase, weathered and worn

**C**

**F**

Gets me wondering, what stories can you tell?

**C**

Where you going and where you been?

**F**

Something bout that suitcase, tattered and torn

**C**

Bursting at the seams

**F**

Is it all packed up with new hopes?

**G**

Or a handful of crazy old dreams

**F**

**C**

**G**

And memories that time can't erase

**F**

Something bout that suitcase

**F**  
 hold a baby doll for your little girl?  
**C**  
 Or plans and proposals that just might change the world?  
**F**  
 Everything you need to soak that sun in Malibu  
**C**  
 Or ashes of an old friend whose travelling days are through

[Chorus]

**F**  
 Something bout that suitcase, weathered and worn

 Gets me wondering what stories can you tell?
