Bm F#m C#m Bm

Late you ve been on my case

Bm F#m C#m Bm

We ll I m sorry to find you in such a dreadful state

Bm C#m F#m

You see I m not the kind of guy to hold ya down

Bm

If you got something else to say

C#m F#m

I m available Mondays to fridays yo know where to find me

Chorus:

Bm

I got my head in the clouds

C#m

My two feet on the ground

F#m

Nothings gonna move me

Bm

Whatcha trying to do whatchat trying to say

C#m F#m

You acting funy when things start going my way

Bm C#m

I got my heart on the line,Still you wanna knock me

F#m

What s this gonna prove

Bm C#m

It s said how things turned out this way

F#

But tomorrow s another day,Another day for you

Verse II: (Do CP: **Bm-F#m-C#m-Am**)

Well I see you re just not happy

We al have our reasons, It could be just one of those days

Those days turn into months, you re left counting reasons

Did you ever thing about the times we shared

Some day it ll hit you know where

To run to the question is will I be there

(repeat chorus)

Bm C#m

Bm

If I forever never ever never ever see you again

C#m

Be too good to be true but

Bm C#m

Our worlds are one and the same, Power launches and pariouir games

C#m

I can t see what the season will bring

Bm

C#m

Some things never change, I don tknow if it ll ever be the smae

F#m

Some things never change.

Chorus:(Chorus Chords)

I got my head in the clouds

Nothings going to move me, I got my heart on the line

Still you want to know me

I got my heart.....head

Outro:

Bm

This time you ve gone too far

C#m

F#m

If I was you I would walk away

Bm

This time you ve gone too far

C#m

If I was you I would walk away

Bm

If I m heading north your ass

C#m

Better be running south walk away

Bm

This tie you ve gone too far

C#m

If I was you I would just walk away
