My favorite song on the Album. Hope you all make good use of this. For comments and bullshits, email me at glenngaerlan@yahoo.com

Light Years by Bamboo

A+ E 5
B 5
G 2
D 2
A
E

D **A+**
Hello... Goodbye Leave me alone

G-A
Dont wanna be with anyone

D **A+**
Lie awake in bed My eyes are closed

G
I bet you think im wasted

A
Hit me if you think it s worth it

Em **G**
If you think i ve crossed the line

C-G **A**
I ll see you somewhere out there

C **G**
I know you think in crazy

C **G**
Or a schizo maybe

C **G**
Or a drug fiend addict

(do stanza chords)

But i know what s real, I know you faked it
Coz lies are what we have in your world
Read all the books of life, Looked at myself
Where did the years go?
They re lost within the pages of time

Em **G**
If you think i ve crossed the line

C-G **A**
I ll see you somewhere out there

C **G**
Something about it makes me

C **G**
Something about it takes me

C
Something about you makes me

D---C---G (2X)
High.....

A-----G-C
So High.....

(do stanza chords)

Me and my folk guitar, weve seen a glimpse of the wild world
Its beautiful, its crazy
A lot of people that we know, they talk about us
They think we ve lost it, too far away from venus I say

Em **G**
If they know what we know

C--G **A**
We ll see them somewhere out there

C **G** **C** **G**
Light years from now, well find you somehow

G-Dsus **G** **C** **G**
Coz its beautiful, coz its beautiful out there

Whew!
