Verse: **Asus4** - **Bm/Asus4**

Itâ€™s a lonely road out there

Weâ€™re all just waiting

For these answers that may never come our way

So we hold on to each other, hopinâ€™ to find whatâ€™s missinâ€™

A million more questions by the end of the day

So weâ€™ve been giving all these inside information

This confuses me, or so driving you insane

I throw some money at

The problem here is inhibitions

I talk to someone

Thereâ€™s a million more questions at the end of the day

Chorus: **Asus4** - **Bm/Asus4**

Itâ€™s who we areâ€|4x

Verse: **Asus4** - **Bm/Asus4**

We try to get a way out

Before _ change

Follow what weâ€™re without

You turn to sacred ground

Youâ€™re the memorable,

Is it a new day

All is going all too familiar

But thereâ€™s no excuse for a change in pace

Cause Iâ€™ll be happy

Come questions at the end of the day

Chorus: **Asus4** - **Bm/Asus4**

Bridge:

D- E- F#m - G#/A- A- Bm- C#m- D (2x)

Running in circles

In this once in a lifetime life

This one last chance

This broader than life

My place in this world

This day I progress

Iâ€™m about to collide with myselfâ€|with myselfâ€|with myself

outro: **Asus4 - Bm/Asus4**

It will all get better

All we need is time

Drag yourself out of bed

Wait for a change of season

Pray for love

Livinâ€™ in a rainbow

Or drown in the grey

Fill in all the blanks

And all that questions by the end of the day
