I hope the following will assist!

OK. The numbers on the strings should relate to which finger to use -

t is thumb, 1,2,3 are 1st, 2nd, 3rd fingers respectively!

So the D chord (xx0232) picked like this

E-----|  
 B-----2-----2-----|

```
G---1---1---1---1---|
D-t-----t-----|t..... etc
A-----|
E-----|
```

The A chord (x02220) like this! nb finger 3 can be left out or played simultaneously with 2 !

```
E-----|
B-----3-----3-----|
G-----2---2-----2---2-----|
D---1-----1---1-----1---|
A-t-----t-----|t....etc
E-----|
```
