Take me Down by Bamboo

It's quite unbelievable how no one has ever posted this song considering it's the first song on the album. So here it goes. Hope it works out for you and I hope it's right. Peace

Intro: (listen to the song for the right timing )

**C-G-D**

**C-G-Am**

verse:

**G-F-C-Bb-C**

Refrain:

**Em-D-C**

**Em-D-Am-C**

when he screams GONE!! do intro chords

the song goes on with the same chords and transitions. Go figure it out coz I'm too lazy to blot it all out in figures. May this info do you all well.
