02 Blown Away

Tuning: Standard

Bbm **F#** **Bbm** **G#**
Blown away, It s easier to be your clone
Bbm **F#**
You ve done it again, Nobody s laughing
Bbm **G#** **Bbm** **F#** **Bbm**
Laughing but you, Set your changing your spots again
F# **G#**
I close my eyes to see, What you ve become
Bbm **F#**
A broke man, He fits the part
Bbm **G#**
It s a big surprise you shouldn t tell
Bbm **F#**
Shot in the head you dead, Did nothing wrong this was
Bbm **G#**
Between you and me, so what it gonna be

Bbm **F#**
You yourself you know that it can t be done
Bbm
You must stand there just look
F#
Pretty underneath a bleeding sun
Bbm
Clock starts ticking now
G#
How long till the sun comes down

Chorus:

C# **Bbm**
Light, Let me go

G#
For me save me

C#
Let me go

C# **Bbm** **G#** **C#**
See she s calling light let me go

Interlude: **Bbm-F#-Bbm-G#**

Bbm **Bbm**
Is this uncertainty, Has this been all for show

Bbm **F#**
Is the color really me

Bbm **F#**
Slip slide go under trapped in the rabbit hole

G# **Bbm**
She s gone, A burn bit off your tongue

F# **G#**
Hooray someone else to blame

Bbm **F#**
I try I ve tried but I can t remember

Bbm
This world this life this perfect picture

F# **G#**
When did it start to become this ride

Bbm **F#** **Bbm**
See your changing your spots again

F#
I close my eyes to see

G# **Bbm**
What you ve become
