

**War Of Hearts And Minds**  
**Bamboo**

Hehe...this really sounds the same...just listen to the plucking and you ll get it...

Intro:**C2,G,C,G**  
**C2,G**

War of Hearts and Minds....I m glad you re not here

**C2,G** **F C G**  
Take my wife please.....I m glad you re not here

just repeat these and that s the whole song...

These are the lyrics:

verse 1:

war of hearts and minds,who will pay the price?

Does anybody care?

It s not make believe,you see it on your tv screen

i m glad youre not here

Chorus:

Take my wife please if you think it s funny

Cut my heart out for a souvenir

Take my life please if you think it s worth it

I m glad your not here..

verse2:

War of hearts and minds

seven days later i still can t find

truth and peace,how will I find my way?

they said love w/o fear is said to be the key

but just look around,no clear answer to be found(get me outta here)

(repeat chorus)

P.S If you re guitar is not really tuned,or not properly in the right note,it wont sound the same....=p
