## Preacher Man Bananarama

Intro N.C Bass only Dm C Bb verse 1 It's like a magic I ve got to have it Rb Whatever lies out of reach of me And to despise it Α Just magnifies it BbCan t obliterate the need Bad news disguised Εm Dressed and painted with lies (but I just can t see) When truth is concealed How the danger appeals but my conscience sees I heard it from the preacher man He said leave that boy alone (he s no good for you) I heard it from the preacher man He said heaven must have sent you But the devil s gonna get you He s gonna do it for you

verse 2

D

You re like a black cat

Α

Who always knows that It s life is a mystery You mesmerise me And then you hypnotise me Вb Till obsession devours me You re silky words soothe me as they move me To ecstasy  $\operatorname{Bm}$ And just as I m falling Εm I hear a voice calling don t believe I heard it from the preacher man He said leave that boy alone (he s no good for you) I heard it from the preacher man He said heaven must have sent you But the devil s gonna get you He s gonna do it for you Bridge N.C Harmonica D A Bb D A Bb
