Push
Bananarama

Am
Pushing, pushing, pushing
Am
On the streets at night
    G
He doesn t care what s wrong
     Am   **G#**
He doesn t know what s right
Am
Working so fast and now he s moving along
G   **Am**
You ll never know til he s gone

verse 1
E7   D
Take a look at his face
          Am
Tell me what does it say
 E7   Am E7
(What does it say)
E7   D
If you step out of place
           Am
Then you ll just have to pay
 E7   Am E7
(You ll have to pay)

Bridge
 E7   Am
 Cos this is the game and the price is high
E7   Em7
You ll get the blame but you won t know whyyyyyy
Am
  You won t know why

Am
Pushing, pushing, pushing
Am
On the streets at night
    G
He doesn t care what s wrong

```
            Am            G#
He doesn t know what s right
Am
Working so fast and now he s moving along
G                             Am
You ll never know  til he s gone
Am
Pushing, pushing, pushing
Am
On the streets at night
            G
He doesn t care what s wrong
            Am            G#
He doesn t know what s right
Am
Working so fast and now he s moving along
G                             Am
You ll turn around and he's gone

verse 2
E7                          D
They say the crime doesn t pay
                    Am
Well that s how it goes
 E7            Am      E7
(That s how it goes)
E7                 D
It s harder every day
               Am
That s all he knows
 E7            Am      E7
(That s all he knows)

Bridge
E7                                Am
He ll take a chance to get what he needs
E7                                 Em7
No second plans with his dirty deeds
Am
    His dirty deeds

Am
Pushing, pushing, pushing
Am
On the streets at night
            G
He doesn t care what s wrong
            Am            G#
He doesn t know what s right
Am
```

```
Working so fast and now he s moving along
G                              Am
You ll never know  til he s gone
Am
Pushing, pushing, pushing
Am
On the streets at night
            G
He doesn t care what s wrong
            Am            G#
He doesn t know what s right
Am
Working so fast and now he s moving along
G                              Am
You ll turn around and he's gone

Bridge
  E7                                    Am
  Cos this is the game and the price is high
E7                                      Em7
You ll get the blame but you won t know whyyyyyy
Am
    You won t know why

Am
Pushing, pushing, pushing
Am
On the streets at night
            G
He doesn t care what s wrong
            Am            G#
He doesn t know what s right
Am
Working so fast and now he s moving along
G                              Am
You ll never know  til he s gone
Am
Pushing, pushing, pushing
Am
On the streets at night
            G
He doesn t care what s wrong
            Am            G#
He doesn t know what s right
Am
Working so fast and now he s moving along
G                              Am
You ll turn around and he's gone
```

```
Bridge
Am              Am  G  Am
Pushing...
Am
Working so fast and now he s moving along
G                             Am
You ll never know  til he s gone

Am
Pushing, pushing, pushing
Am
On the streets at night
          G
He doesn t care what s wrong
          Am          G#
He doesn t know what s right
Am
Working so fast and now he s moving along
G                             Am
You ll never know  til he s gone
Am
Pushing, pushing, pushing
Am
On the streets at night
          G
He doesn t care what s wrong
          Am          G#
He doesn t know what s right
Am
Working so fast and now he s moving along
G                             Am
You ll turn around and he's gone
```
