verse 1

```
Am          C
You think it's all so easy
          G          D
When you got your name in lights
Am          C
Money comes in bag fulls
          G          D
And you spend it every night
Em          C
It s a happy holiday
          G          F
When you fly from place to place
Em          C
Up at six each morning
G          Am          F
Slapping make up on your face... (face)
```

```
F          Am
I wish you were in our shoes
F          Am
I wish you could be us
Dm          F
Washing all your laundry
          G
And riding on the bus
F          Am
I wish you were in our shoes
F          Am
I wish you could be us
Dm          F
Washing all your laundry
```
