Dumpster world

Bm **F#m**
Worn and tattered, evils of the Western world
Bm **F#m**
Real better, over in America
Bm **F#m**
The weather, so serene and calm
Bm
Unseasonably warm

Em **F#m**
Light a candle for the suffering ones
Em **F#m**
Light a candle for the weak and the small
Em **F#m**
God damn it, there s a lot of em
Em **F#m**
Kinda think that in the modern world

Bm **F#m**
Holy terror, asleep when the alarms went off
Bm **F#m**
You re in the mirror, studying your golden locks
Bm **F#m**
I love you, lets marry when the time is right
Bm
Or whenever, you like

Em **F#m**
Say a prayer for all the people that died
Em **F#m**
Say another for me once in awhile
Em **F#m**
I hit rock bottom, I m getting old
Em **F#m**
I was really hoping that the modern world

D **F#m**
Happy living in a dumpster world
D **F#m**
Break out everybody in the jail, lets get it on
D **F#m**
Let out the wolves, I m happy living in a dumpster world
D **F#m**

Bring on the booze, start it off

Em

F#m

We won't be arrested, for nothing now

Em

Bust out the drugs, I'm happy living in a dumpster world

D

Everyone in jail, yeah, let's get it on

D
