A very beautiful song that s really easy to play. The intro was already tabbed
out on this site. These are just the chords to the rest of the song.
Tuning: Standard
Verse 1
                         Bm A
If I want to walk home with you
Hearing every word, thinking it s true
In a barren field for us to cut through
On our victory lap cross an old street cat
Chorus 1
That turns to stop and see you
A small stone somewhere in your shoe
   Α
     Bm
All day long
  Α
       Bm
All day long
Long
D A Bm A G A
Verse 2
                           Bm A
The old folks wake up for the day
Seeing the monsters have lingered from the past
And a great bird is flying away
```

Chorus 2 G D

From our family tree; something wrong with me

I ve got a secret or two

Hiding somewhere but
