A **C#m**
Hey little Darlin , sweet little love of mine

Bm **E**
Well it s only, a matter of time...

A **C#m**
And all that you seek, all you set out to find

Bm **E**
Don t let anything change your mind...

A **C#m**
At the break of day, in the middle of the night

Bm **E**
Remember me - and don t go out..

Bm
I m in the running, in the running

E
Woou-ooooh-oh

Bm
You got me where you want me, where you want me

E
Ooou-ooooh-oh

A **C#m**
It s harder to recall having many bad times

Bm **E**
Or the frame of my mind, the frame of mind...

A **C#m**
And who could even blame me? in hind-sight

Bm **E**
You snuck around with that guy, it wasn t right...

Bm
It isn t funny, isn t funny

E
Noooo-ooooh

Bm
No it s nothing, it s nothing

G **E**
And my wits don t show me the way

G **E**

The blankets fall and they stay in place

E **A**
Just as they were laid

(**A**) **C#m** **Bm** **E** [Solo]

Bm
I m in the running, in the running

E
Wooou-ooooh-oh

Bm
You got me where you want me, where you want me

G **E**
And no one s gonna show you the way

G **E**
When it gets cold, you can find yourself baby

G **E**
Back in the hole from which you came

G **E**
And everything will fall into place

A [end]
