A  
youve seen the world

and all its glor-y

F  
is what you want

E  
not what you need

(it repeats those same four chords for all of the verses)

A				C	B
Wander	luster	wander	yeah	yeah	

G				B	G	A (hold)
Wander	luster	wander	yeah	yeah		

The Bridge at the end is the same as the chorus. Just dont strum, hold the

chords.

The only tricky part is the timing. Have fun
