

**Everytime I Look In Your Eyes**  
**Bang Gang**

**Am** **Am7**  
We walk on the grass, the wind is warm  
**C** **G**  
No need to say what s in our hearts  
**Am** **G**  
we both know it s never gonna last

**Am** **Am7**  
I wanna escape, I wanna fight  
**C** **G**  
instead I just put on a smile  
**Am** **G**  
Cuz there s no way I can get out

**Dm** **Am**  
Falling down, to a different world somehow  
**Dm** **Am**  
Falling down, can t someone help me out  
**Dm**  
I m gonna wait until your gone  
**Am**  
I m gonna stay inside my world  
**G** **Am**  
let s pretend nothing s wrong, hold me now  
**Am** **Am7**  
We lay in the grass, our bodies are tired  
**C** **G**  
you think everything s gonna be alright  
**Am** **G**  
you don t know how I feel inside

**Am** **Am7**  
I wanna escape, I wanna fight  
**C** **G**  
instead I just put on a smile  
**Am** **G**  
Cuz there s no way I can get out

**Dm** **Am**  
Falling down, to a different world somehow  
**Dm** **Am**  
Falling down, can t someone help me out
