

Everytime I Look In Your Eyes
Bang Gang

Gm **Gm7**
We walk on the grass, the wind is warm
Bb **F**
No need to say what s in our hearts
Gm **F**
we both know it s never gonna last

Gm **Gm7**
I wanna escape, I wanna fight
Bb **F**
instead I just put on a smile
Gm **F**
Cuz there s no way I can get out

Cm **Gm**
Falling down, to a different world somehow
Cm **Gm**
Falling down, can t someone help me out
Cm
I m gonna wait until your gone
Gm
I m gonna stay inside my world
F **Gm**
let s pretend nothing s wrong, hold me now
Gm **Gm7**
We lay in the grass, our bodies are tired
Bb **F**
you think everything s gonna be alright
Gm **F**
you don t know how I feel inside

Gm **Gm7**
I wanna escape, I wanna fight
Bb **F**
instead I just put on a smile
Gm **F**
Cuz there s no way I can get out
