

Everytime I Look In Your Eyes
Bang Gang

Bm **Bm7**
We walk on the grass, the wind is warm
D **A**
No need to say what s in our hearts
Bm **A**
we both know it s never gonna last

Bm **Bm7**
I wanna escape, I wanna fight
D **A**
instead I just put on a smile
Bm **A**
Cuz there s no way I can get out

Em **Bm**
Falling down, to a different world somehow
Em **Bm**
Falling down, can t someone help me out
Em
I m gonna wait until your gone
Bm
I m gonna stay inside my world
A **Bm**
let s pretend nothing s wrong, hold me now
Bm **Bm7**
We lay in the grass, our bodies are tired
D **A**
you think everything s gonna be alright
Bm **A**
you don t know how I feel inside

Bm **Bm7**
I wanna escape, I wanna fight
D **A**
instead I just put on a smile
Bm **A**
Cuz there s no way I can get out

Em **Bm**
Falling down, to a different world somehow
Em **Bm**
Falling down, can t someone help me out
Em
I m gonna wait until your gone
Bm
I m gonna stay inside my world
A **Bm**

let s pretend nothings wrong, hold me now
