CAPO 3

Its dead simple, just \mathbf{Am} for 2 bars then \mathbf{F} for 2 bars all the way through

Am / **F** x4

Am F

Can you feel the sun

Am 1

Can you feel it burn

Am

Shining alone

F

Minding it s own

Am

Blinding my soul

F

It gets me higher

Am F

Now follow me always

Am

Into the sky

F

Where we reach the stars

Am 1

Now follow me slowly

Am

Over the stars

F

Where we reach the sky

Am

Where we reach the sky

Am F

F

Where we reach the sky

Can you feel the sun
Can you feel it burn
Shining alone
Minding it s own
Blinding my soul
It gets me higher

Now follow me always
Into the sky
Where we reach the stars
Now follow me slowly
Over the stars
Where we reach the sky
Where we reach the sky
Where we reach the sky
