**Banks**

**Dm** I hang on everything that you say - You know I can see  
**Am G**  
**Dm Am G**  
all the things that imply You secretly are in love  
**Dm Am G**  
And finally when I let myself fall hard for you  
**Dm Am G**  
I see you trying to pretend like I m making it up

**F Am G**  
This is what it feels like  
**F Am G**  
This is what it feels like

**Dm Am G**  
Bring it down, bring it on  
**Dm Am G**  
Bring it now, bring it on  
**Dm Am G**  
This is what it feels like now - It s getting old  
**Dm Am G**  
Bring it down, bring it on

**Dm Am G**  
Remember the first love that we made - You said that you couldn t  
**Dm Am G**  
sleep cause of me, told me I caught you off guard  
**Dm Am G**  
And then when you saw I felt the same  
**Dm Am G**  
You pulled away - Started acting like being with me was too hard

**F Am G**  
This is what it feels like  
**F Am G**  
This is what it feels like

**Dm Am G**  
Bring it down, bring it on  
**Dm Am G**  
Bring it now, bring it on
