My Regret By Banky W

CAPO ON 5TH FRET (CAPO ON 5)

C G F G

REPEAT THROUGHOUT

1st verse:

C **G**
It's too late now, still I've got something to say?
F **G**
Girl I'm sorry that I treated you that way
C **G**
Time has gone now, and the moment has passed?
F **G**
When I had the chance to try and make us last
C **G**
All alone now, and it's no one's fault by mine?
F **G**
Couldn't see the truth, I had those blinded eyes
C **G**
You have moved on, still I don't give a damn?
F **G**
Gotta get this off my chest while I can

Every single hour,
Of every single day, I
Miss you more and more,
Don't know what to say, I
Know I closed the door,
You're gone and on your way
But now, I need you, I need you?

Chorus (2x):

Wanna take it back to the day when we first met,
If I could, I'd start all over again?
Our love is My Regret

2nd verse:

Should have known then, what I know now?
Dying every second that you're not around
Should have been there, when you needed me?
Now I'm by myself, on my bended knees

Should have loved you, while I had the chance to?
Couldn't realize that you were the truth
Should have shown you, what you meant to me?
Baby now I see, that you were my queen

Pre-chorus:

(How? I? need? you? more?and more? will? you
Come?back? to?me? please?)

Every single hour,
Of every single day, I
Miss you more and more,
Don't know what to say, I
Know I closed the door,
Sent you on your way
And now you're gone?

Chorus (2x)

Instrumental interlude

Chorus (repeat till fade)
