

**Empires On Fire  
Banners**

[Verse 1]

Like a city overthrown **D**  
We re turning buildings into stone **F#m**  
We leave the bodies to the crows **E**  
On a funeral of fire **Bm**

Now we re choking on the fumes **D**  
Spread the lie and kill the truth **F#m**  
They re in the ashes of the proof **E**  
We watch the flames rise higher **Bm**

[Chorus]

Our empire **D**  
Is on fire **F#m**  
Our empire **E**  
Is on fire **Bm**  
Our empire s on fire **D F#m E Bm**  
Our empire is on fire **D F#m E Bm D**

[Verse 2]

Now we re falling through the ice **D**  
We made our bed and rolled the dice **F#m**  
Well every gamble has a price **E**  
We watched the cracks grow wider **Bm**

D

Waves are climbing past your knees

F#m

It s just the coming of the seas

E

It s getting harder now to breathe
