

**Into The Storm
Banners**

A
If you re far from home
C#m E
Broken on a lonely road
D
Helpless when the sky explodes
F#m E
Then I need you to know
A
When you re round the bend
C#m E
Close your eyes and count to ten
D
I ll walk through hell and back again
F#m E
Anywhere you go

A
If your sky is falling down
Em
I ll be right beside you now
D
And I ll keep you warm
F#m
Yeah, I ll keep you warm

A
I ll follow you into the storm
E
Follow you into the storm
C#m
I will, I will
D
Be with you when you call, carry you till the dawn
F#m
I will, I will
A
Follow you into the storm

A
So violently
C#m E
Held captive by your gravity
D
Hold your breath and wait for me
F#m E
Where the wind may blow

A
Through night and dark
C#m **E**
Through fantasies that fall apart
D
Know you re always in my heart
F#m **E**
Anywhere you go

A
If your sky is falling down
Em
I ll be right beside you now
D
And I ll keep you warm
F#m
Yeah, I ll keep you warm

A
I ll follow you into the storm
E
Follow you into the storm
C#m
I will, I will
D
Be with you when you call, carry you till the dawn
F#m
I will, I will
A **E**
Follow you into the storm

D
Oh, be with you when you call
F#m
Carry you till the dawn
E **F#** **D**
Follow you into the storm

A **E** **F#m** **D**
Anywhere that you go
A
Anywhere that you go

A
I ll follow you into the storm
E
Follow you into the storm
C#m
I will, I will
D
Be with you when you call, carry you till the dawn
F#m
I will, I will

A

Follow you into the storm

E

Follow you into the storm

D

Follow you into the storm

F#m

Follow you into the storm

A

Follow you into the storm
