**A#**                    **D#**                    **A#**                    **F**

Big party, big party, big party.

**A#**

She invited me,

**D#**

cos she knew you would bring me.

**A#**

She make it so plain to see,

**D#**

she trying to take you from me.

**A#**

It s a big party,

**D#**

**A# F**

but a sad party for me. (ooooo)

**A#**

I can hear her laughter,

**D#**

and I know what she s after.

**A#**

Can I make you see,

**D#**

she s trying to take you from me?

**A#**

It s a big party,

**D#**

**A# F**

but a sad party for me. (ooooo)

**D#**

So if you want her,

**A#**

more than you want me.

**F**

Tell me now, tell me now,

**A#**

so I can leave.

**D#**

Don t even bother,

**A#**

taking me home.

**C**

I know the way there,

**F**

all alone, oooooh.

**A#**

It s a big party,  
(big party)

**D#**

Oh yes it is.  
(big party)

**A#**

Oh big party.  
(big party)

**A#**

Now she s turned the lights down low

**D#**

and the music they playing is slow.

**A#**

I see the way she look at you.

**D#**

I see the way you look at her too.

**A#**

It s a big party. (oh yes it is).

**D#**

Big party. (I wish I wasn t here)

**A#**

Big party. (Woo-oh it s a big party)

**D#**

Big party. (Woo-oh yes!)

**A#**

Big party. (Woo-oh yes!)

**D#**

Big party. (It s a mighty big party)  
(repeat and fadeout)
