Verse 2:**Am-F-C-G** parin
Is there a room for change
There are things to rearrange
I thought that we are young
And temptations are strong

But I ve got to start with me
It s hard but let it be
It may take some time
Fixing up a perfect life

REFRAIN:**Am-F-C-G** parin
Where can I find a place that s full of tenderness (tell me, tell me)
I get there when I close my eyes and hold and pray (pray)
That you and I will be there

[Repeat CHORUS]

BRIDGE:**Am-F-C-G** parin
Once in a while, you get down and get wild
Set the rain hope so I took some dope
What happened to your start, not a dumb old fun
I had renewed my faith, better not be late
Cause I hate to go back again wasting my life and sin
I got my Lord to obey now, so I say now
Take a ride home, go, take a ride home, go
Back to the Father

[Repeat CHORUS except last line in parentheses]

Am-F-C-G parin
To do the chance to be there
Someday, I say
But today s our chance
We ll make a brighter day and today s our chance to be there
(End on **C**)
