D                    D6                    D7M                    D6  
Summer me, winter me, and with your kisses  
Am7                    A7                    Em7                    A7  
Morning me, evening me, and as the world slips  
D                    Bm7                    G                    A7                    D                    Bm7                    G A7  
Far away, star away, forever me with love  
F                    F6                    F                    F6  
Wonder me, wander me, then by a fire  
Cm7                    C7                    Gm7                    C7  
Pleasure me, peaceful me, and in the silence  
F                    F6                    B7                    E                    Em7  
Quietly, whisper me, forever me with love  
Bridge  
A7                    D                    D6  
And ev ry day I ll gentle you, tender you  
D7M                    D6                    Am7                    A7  
And oh, the way I ll velvet you, clover you  
Em7                    A7                    D                    D6  
I ll wrap you up and ribbon you, rainbow you  
Em7                    Am7                    Cdim  
And shower you with shine!  
G7M                    G6                    Em                    Em7  
Suddenly, magically, we found each other  
F#m                    F#m7+                    Bm                    Bm7  
There we were, here we are I plan to let you  
Em                    B                    Em7                    A7/9-                    D  
Happy me, summer me, winter me, always be mine
