

**Get Up Get Up Get Up**  
**Barcelona**

Recorded with a capo on the 1st fret (key of G#). All chords are relative to the capo.

**G** **D**  
five days after black and red collide.  
**G** **D** **G**  
The motion sickness past, I ll be the first to stand.  
**C** **D** **Em** **D**  
Behind that weathered door, I thought it would be safest.  
**C** **D** **Em** **D**  
My head is dizzy now, I thought we d overcome.  
**C** **D** **G**  
We might not make it home tonight.

**G** **D**  
Crawling on the ash, she s pitiful.  
**G** **D** **G**  
She s lost her sense of light, she has to hold my hand.  
**C** **D** **Em** **D**  
And I know we might be two kids without their jackets  
**C** **D** **Em** **D**  
My fear would come alive; I wouldnt know her now  
**C** **D** **G**  
She might not make it home tonight.

Outro:

**G** **D** **Em** **D**  
Get up (x4)  
I need to  
Get up (x8)
