Barclay James Harvest

BJH - Guitar Blues
from Face To Face

[Em7]Each night the [G]same songs
[Am]Each night the [G]pain
As I [C]look for your [G]face
In the [F]shadows of the [Em]front row
[Em7] Life came be[G]tween us
[Am]Life on the [G]road
We d [C]kiss and fly [G]on
Like [F]birds in the [Em]winter time

[G] Every day it s a[C]nother lonely [G]ride
[G] Was a time when you d [C]be here by my [G]side
Oh, but the [F]rain came [Em]down
[F]Washed it all a[Em]way
[F]Now I stand alone with my gui[D]tar and play

[C] [G] [C] [G] [C] [G] [F] [F]
[C] [G] [C] [G] [C] [G] [F] [F] [D] [D]

[Em7] When will I [G]see you
[Am] How will I [G]know?
My [C]voice echoes [G]on
As I [F]wait by the [Em]telephone
[Em7]Maybe you ll [G]be there
[A]After the [G]show
But [C]hope slowly [G]fades
Like the [F]lights in a [Em]stage show

[G] Every day it s a[C]nother lonely [G]ride
[G] Was a time when you d [C]be here by my [G]side
Oh, but the [F]rain came [Em]down
[F]Washed it all a[Em]way
[F]Now I stand alone with my gui[D]tar and play
