**Barclay James Harvest**

Barclay James Harvest - Just A Day Away (Forever Tomorrow)  
Track #7, Ring Of Changes

There s a [D]beautiful sight  
You know they call it to[G]morrow  
It s the most [D]beautiful sight  
That you ll ever [G]see

I know it s only a [C]day away  
And it s always in the [G]future  
But it s that something to look [D]forward to  
That brings me closer to [G]you

Do you re[D]member the time  
We said we d love until for[G]ever  
Till all the [D]stars in the sky  
Dropped one by one into the [G]sea

I know forever s just a [C]day away  
And it s always in the [G]future  
But it s that something to look [D]forward to  
That brings me closer to [G]you

[D][G][D][G]

I know forever s just a [C]day away  
And it s always in the [G]future  
But it s that something to look [D]forward to  
That brings me closer to [G]you

When we re to[D]gether again  
We ll make love until the [G]morning light  
We ll hold each [D]other tight  
Until tomorrow [G]comes

I know it s only a [C]day away  
But it s always in the [G]future  
This time you know for[D]ever I ll stay  
Holding you closer to [G]me

Oh, I know it s just a [C]day away  
And it s always in the [G]future  
This time you know for[D]ever I ll stay  
Holding you closer to [G]me
