Barclay James Harvest - Ring Of Changes

[G]Talk of tomorrow
[G7] And you talk of the [G]times that have been [G]
The [G]wheels keep on turning
[G7] Turning circles we [G]go round again [G]
[G] Never ending [G7]the time is bending
These [G]songs all the same [G]
And [G]we will stand listening
[G7] Looking back on the [G]ones that remain [G]

And [G]time hurries [C]on
We are [G]here, we are [F]gone
And [G]time passes [C]on
All the [G]words of your [F]song

[F] Turn the pages
[C] Nothing ages
That s [G]what you will see [G]
[F] Turn the pages
[C] Ring of changes
Is [G]what it will be [G]

The [G]sun when it s rising
[G7] Paints a shadow on [G]where it has been [G]
And [G]night is surprising
[G7] To the people who [G]stand in between [G]
[G] Filling spaces [G7] you see their face
As they [G]wake from their dream [G]
And [G]we will stand looking
[G7] Taking note of the [G] things we have seen [G]

And [G]time hurries [C]on
We are [G]here, we are [F]gone
And [G]time passes [C]on
All the [G]words of your [F]song

[F] Turn the pages
[C] Nothing ages
That s [G]what you will see [G]
[F] Turn the pages
[C] Ring of changes
Is [G]what it will be [G]
