Track #3, Ring of Changes, 1983

[E] It s the [A]truth, or [E]so they [A]say
[D] Who holds her hand, holds her [A]heart
[E]She s old e[A]nough to [E]play fast and [A]loose
[D] In a schoolgirl kind of [E]way

But this [D]teenage [A]heart s driving [D]me in[A]sane
[D] The moment that we touch will ease my [E]pain
Who [D]holds her hand, holds her heart
So they [A]say [E]

[E]Finding [A]words, [E]finding the [A]nerve
But [D]never finding her a[A]llone
My [E]heart s like [A]sand she [E]holds in her [A]hands
One [D]look, one smile, and I d be [E]there

But this [D]teenage [A]heart s driving [D]me in[A]sane
[D] The moment that we touch will ease my [E]pain
Who [D]holds her hand, holds her heart
So they [A]say [E]

[E] Say what she [A]said, [E]is she going [A]out?
[D] Or is it me she ll see to[A]night?
[E] Tell me the [A]truth, [E]I m man e[A]nough
[D] Well, in a schoolboy kind of [E]way

But this [D]teenage [A]heart s driving [D]me in[A]sane
[D] The moment that we touch will ease my [E]pain
Who [D]holds her hand, holds her heart
So they [A]say [E]
