BJH - Turn The Key
from Face To Face

[C#] You build me [F#]up
Then [B]you make me [C#]fall
[C#] With a little more [F#]love
You [B]could make it [C#]easy
[C#] I m standing [F#]here
With my [B]back to the [C#]wall
I keep [**F#**]holding on [**F#**][**F#**][**F#**]

[C#] You ve been a[F#]round
[B]That s what I ve [C#]heard
[C#] With a little more [F#]time
We [B]could get to[C#]gether
[**C#**] You hang **A**[**F#**]round
In your [B]own little [C#]world
I keep [F#]holding on [F#]

[C#] A light shining [F#]in my life
A [B]fire that is [C#]burning
[C#] I ve [B]never been [F#]this way be[C#]fore
[C#] You know that the [F#]time is right
To [B]keep the flame [C#]burning
[C#] Turn the [B]key and you ll [F#]open the [C#]door

Give me [**C#**]more  [**F#**][**B**][**C#**][**C#**][**F#**][**B**][**C#**]
[**C#**][**F#**][**B**][**C#**][**F#**][#F][**F#**][**F#**]

[C#] You shoot me [F#]down
My de[B]fences are [C#]low
[C#] With a little more [F#]love
You [B]could make it [C#]better
[C#] I m standing [F#]here
Wondering [B]where do we [C#]go
I keep [F#]holding on [F#]

[C#] A light shining [F#]in my life
A [B]fire that is [C#]burning
[C#] I ve [B]never been [F#]this way be[C#]fore
[C#] You know that the [F#]time is right
To [B]keep the flame [C#]burning
[C#] Turn the [B]key and you ll [F#]open the [C#]door

Give me [**C#**]more  [**F#**][**B**][**C#**][**C#**][**F#**][**B**][**C#**]
[**C#**][**F#**][**B**][**C#**][**F#**][#F][**F#**][**F#**]
