Barclay James Harvest - Waiting For The Right Time  
Track #6, Ring Of Changes

[Am] Seems to me, the time has [Em7]come  
Party s [Am]over, you sit by the [Em7]phone  
Through the [Am]daytime, you re gonna be all [Em7]right  
But when the [Am]night time comes  
You re gonna be a[Em7]lone

[F]Even though your [G]heart is breaking  
I [C]see it in your [G]eyes  
[F]Even though there s [G]no mistaking  
I [C]see there s no dis[G]guise

Waiting for the [D]right time  
To [G]call out your name  
Oh, the [D]right time  
To [G]see you again  
Oh, the [D]right time  
To [G]reach out and touch your [C]face

[Am]We said goodbye in the [Em7]morning  
Streets were [Am]empty and pouring [Em7]rain  
All the [Am]worries, all the [Em7]bad times  
Will simply [Am]fly right out of here  
When I speak your [Em7]name

[F]Even though your [G]heart is breaking  
I [C]see it in your [G]eyes  
[F]Even though there s [G]no mistaking  
I [C]see there s no dis[G]guise

Waiting for the [D]right time  
To [G]call out your name  
Oh, the [D]right time  
To [G]see you again  
Oh, the [D]right time  
To [G]reach out and touch your [C]face
