**Sole Searching**
**Barefoot Bob and the Hope**

[Intro]
**G D C7 D7**

[Verse 1]
**G**                          **D**
You see them everyday, In every walk of life
**C7**                               **D7**
People Strugglin in their shoes, Working hard to just get by
**G**                   **D**
Fifty hour weeks, For thirty hour pay
**C7**                               **D7**
Something wrong with that picture, It ll drive a man insane...to do some

[Chorus]
**Em**                     **B7**
Sole Searching, and find some barefoot healing
**C7**                                         **D**
Gotta kick off those working shoes, and put your feet in the sand (yeah)
**Em**                   **B7**
Sole searching, Barefoot healing
**C7**                                         **D**            **D7**
Get yourself back to the basics, of being a human being

[Instrumental]
**G D C7 D7**

[Verse 2]
 **G**                              **D**
Police man on the beat, Teacher in the class
**C7**                                   **D7**
Bar keep slinging the drinks,and the soldiers saving our ass
**G**                        **D**
We all got a job to do, our very own hustle and grind
**C7**                                       **D7**
Lord knows it will take its toll, Got to remember to take the time...for some

[Chorus]
**Em**                     **B7**
Sole Searching, and find some barefoot healing
**C7**                                         **D**
Gotta kick off those working shoes, and put your feet in the sand (yeah)
**Em**                   **B7**
Sole searching, Barefoot healing
**C7**                                         **D**            **D7**
Get yourself back to the basics, of being a human being
