VERSE 1

A **Bm** **F#** **G**
Closing in on happiness till my thoughts turn the other way

A **Bm** **F#** **E**
I m chasing a dream that spins me out of control

A **Bm** **F#** **G**
Simplistic intuitions free me from the grip of society

A **Bm** **F#** **E**
Don t wanna live my life like it s a movie roll

CHORUS

D **A**
But I feel it in the air

Bm
On the highest mountaintops

G
Just wanna hold that breath forever

D **A**
I m dancin in the clouds

Bm
With my feet still on the ground

G
I couldn t say a dream could get much better

D **A**
And then the rain comes pouring down

Bm

And you wake up to the sound

G(single strums) **G**

Of changes in the weather

VERSE 2

(normal strumming)

A **Bm**

I close my eyes for a moment

F# **G**

I m taken to that timeless zone

A **Bm** **F#** **E**

I m feeling lost and helpless in a sea without a breeze

A **Bm** **F#** **G**

The unobtrusive feelings are slowly catching up to me

A **Bm** **F#** **E**

I wish the wind would bring me someone so I wasn t so alone

CHORUS

D **A**

But I feel it in the waves

Bm

As they crash on over me

G

Just wanna float out here forever

D **A**

With a six-string in my hand

Bm

And my feet buried in the sand

G

I couldn t say a dream could get much better

D **A**

And then you watch the sun go down

Bm

While you wake up to the sound

G(single strums) **G** **G** **G** **G**

Of changes in the weather

BRIDGE

Bm A D A x3

Bm A
When the lights have all gone out

D A
Thoughts of the day get tossed about

Bm A
The images you see

D A
Become a false reality

Bm A D
And your dreams become the pictures

A Bm
And those pictures fit together

A
Flashing scenes of pious hopes

D A Bm
And things you can't remember

A D
Running towards the water

A Bm
A silence fills the air

A D
Happiness overcomes you

A Bm
Till you realize you're not there }
}
A D }x2
Till you realize you're not there }

D
Oh, woah ho

(single strums) **A**
But I feel it in the air

Bm
On the highest mountaintop

G D

I m dancin in the clouds

G (normal strumming)
I couldn't say a dream could get much better

Bm
You wake up to the sound

(normal strumming)

D
Till you realize you re not there

A

Till you realize you re not there

Bm

Till you realize you re not there

(single strums)

G Changes in the weather **G** **D**
